

Patent
Docket No. 204552035700

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Patent Application of:
Toshimitsu FUJIWARA et al.

Serial No.: 10/551,669

Filing Date: July 14, 2006

For: FLOW MEASUREMENT DEVICE

Examiner: J. V. Thompson

Group Art Unit: 2855

**SUPPLEMENTAL INFORMATION DISCLOSURE
STATEMENT UNDER 37 C.F.R. § 1.97 & 1.98**

MS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 C.F.R. §1.97 and § 1.98, Applicants submit for consideration in the above-identified application the document listed on the attached Form PTO/SB/08a/b. A copy of the document is submitted herewith. The Examiner is requested to make this document of record.

The document listed on the attached Form PTO/SB/08a/b is a Korean Office Action mailed on January 15, 2007, directed to a counterpart foreign application and has not been previously cited. Applicant would like to note to the Examiner that JP-H11-132818 cited in the Korean Office Action was previously cited in an Information Disclosure Statement filed on September 30, 2005 and, therefore, is not submitted herewith. A certification under 37 C.F.R. § 1.97(e)(1) follows:

I hereby certify that each item of information was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Supplemental Information Disclosure Statement.

This Supplemental Information Disclosure Statement is submitted after receipt of a first Office Action on the merits but before mailing of a final Office Action or Notice of Allowance. A Certification under 37 C.F.R. § 1.97(e) is provided above; accordingly; no fee is believed to be due.

Applicants would appreciate the Examiner initialing and returning the Form PTO/SB/08a/b, indicating that the information has been considered and made of record herein.

The information contained in this Supplemental Information Disclosure Statement under 37 C.F.R. § 1.97 and § 1.98 is not to be construed as a representation that: (i) a complete search has been made; (ii) additional information material to the examination of this application does not exist; (iii) the information, protocols, results and the like reported by third parties are accurate or enabling; or (iv) the above information constitutes prior art to the subject invention.

In the unlikely event that the transmittal form is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief (such as payment of a fee under 37 C.F.R. § 1.17 (p)) is required, Applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petition and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing **(204552035700)**.

Dated: February 22, 2007

Respectfully submitted,

By 
Adam Keser
